YOUR HEALTH CARD

The **SIP Health Card** is essential if you need medical care at any of the public health care centres, so it is important that you or your family has one.

At **Vinalopó Salud** we can give you information on the administrative formalities necessary to apply for a card. We can help you if...

- you don't have a SIP card.
- your card has been lost or damaged.
- your address or telephone number has changed, or you want to make any other changes to your details.
- we can also process, free of charge, the documents necessary for the INSS (document S1 and S2; inclusion of beneficiaries; transfers of pensions to other autonomous communities, etc.).
- we can put you in contact with social workers if necessary.
- The Matron, nursing staff and paediatric nurse can answer any of your questions about breastfeeding.
