AN INVALUABLE TOOL THAT CAN IMPROVE YOUR LIFE AND THAT OF THE WHOLE FAMILY.

José is a diabetic.
He records his blood sugar details online every day so his healthcare team can monitor his disease.

Blas is managing his time.
He is messaging with his doctor online and organizing Carmen's appointments with Pediatrics.

Mario and Carmen are healthy kids.
Through YOsalud they read up about health issues related to their age group, and tips from healthcare professionals help them avoid any unnecessary diseases.

FLEXIBLE There are infinite opportunities to communicate with healthcare professionals.

FAST You can manage all your appointments without having to leave the house, avoiding unnecessary travel.

EASY So simple to log on and take advantage of all the benefits it offers.

SECURE Your data is stored in a safe environment. You can access it without any risks.

INDEPENDENT Log on whenever and wherever you want.
